

## Residential Cleaning

Life happens. Kids spill drinks, pets have accidents and homes get dirty. Cleaning Affordable Services have the expertise to provide a deeper clean than your basic house cleaning service. The residential cleaning services performed by Cleaning Affordable Services professionals will not only ease the burden of the constant maintenance of your home, but will also create a safe, clean and comfortable living environment for you and your family.

You know Cleaning Affordable Services as a leader in Fire and Water Cleanup and Restoration, but our professional residential cleaning services can also make a dirty carpet "Like it never even happened".

## Commercial Cleaning

Cleaning Affordable Services knows that first impressions count and so do second and third impressions and every impression after that. Office Pride offers general facilities cleaning and building maintenance services with the goal of helping your business make a great impression, every time. At Office Pride, we understand the trust people place in us to make their offices and facilities make that good first impression and set a standard for each visit after that. We work with our clients to turn their office into a shining business and keep it that way.

Cleaning Affordable Services's business cleaning, office cleaning, and building maintenance services are guaranteed to be a thorough cleaning each cleaning.

## Deep Cleaning

Our deep clean is recommended for the first visit. A deep clean includes all the services of a standard clean, plus all the services listed here. This in depth cleaning will get your home 'super' clean. After this our 'standard' service will keep your house in top shape. This service is also usefull after social events, or before (or after) the holiday season.

A deep clean is a one-time cleaning and does not take the place of recurring cleaning necessary to maintain a home.

## Construction Cleaning

Our construction cleaning services provide construction contractors with complete commercial and residential construction cleaning services for new corporate buildings, shopping centers, high- rise condominiums, schools, and residential properties.

You can count on us to remove (post-construction) dirt, dust and debris to make your properties move-in ready. We offer rough, final and touch up construction cleaning services to newly built residential homes, condominiums, and commercial office and retail buildings.

## Pressure Cleaning

Black discoloration or streaks are generally the result of mildew or algae growth over time. After a thorough roof cleaning, we can treat your roof with a variety of mildewcide and algaecide applications. Sometimes pressure washing isn't the answer. Softer services like wood require a delicate balance of pressure and chemical cleaning.

When it comes to your roof, we are your cleaning experts. We offer an extensive list of services so you can rest assured your roof will be ready to withstand the test of time.

## Mansion Cleaning

First we begin with our free, no obligation "over the telephone" estimate. We'll start by determining how many rooms you have in your Mansion, and yes, a bathroom is a room! Next, we'll give you a price based on the number of rooms you have and the square feet of the property. Of course, the price is based on your home being in average condition.

So, what if you've been really busy and your house isn't quite up to the standards you would normally keep it? Our first time cleaning fee will take into consideration the condition of your Mansion, with lower costs for subsequent regular cleanings.

## Window Cleaning

Some companies prefer to cleaning glass, windows or shop windows is done outside working hours, so we offer a flexible service that fits your needs.

The external appearance of the place is very important because it reflects the image of the company.

## Move In/Out

Moving in Miami area is an especially stressful experience. With all the boxes that need to be packed, furniture needing to be padded and protected, plus all the other time consuming preparations.

Best Cleaning Company of Miami can help you focus on your moving aspects while we handle the move in/out cleaning service. Our cleaning service features cleaners who specialize in move out clean up services.

Our professional cleaning staff will handle all of the deep cleaning that needs to be done to leave your house glistening. Our Miami move in/ out cleaning services will do all the dirty work to prepare your space for the movers so you can begin the leg of your journey to your new home or apartment with piece of mind.
